Dear Members:

At some point in our lives, we begin to think about how to pass on to future generations the blessings of God's love in our lives. Our focus generally begins with our immediate family and broadens to others that we care about.

For many of us, Christ Presbyterian Church has played a significant role in our most meaningful experiences. Many of us have shared the excitement of a baptism, the joy of a wedding, and the comfort of a memorial service at Christ Presbyterian. Helping others is also a key part of what makes Christ Presbyterian special with our support of many organizations such as Downtown Daily Bread, Christian Churches United and Sonshine Ministries.

You can play a part in ensuring that Christ Presbyterian will be there for another generation by deciding to contribute to the church by making a planned giving gift. A planned giving gift can take many forms. It can be a gift now, part of your tax planning or part of your will. It can be in cash, stock or other assets.

The purpose of this letter is to request that you prayerfully consider making a planned giving gift. It's easy to begin exploring what type of planned giving gift will work for you. Just call Jack Redshaw, CPC Financial Secretary, at 761-6303 so he can talk with you about the Christ Presbyterian Planned Giving Fund.

Planned giving benefits you the donor and it continues the work God has called us to do. We hope you consider the Planned Giving Fund as part of your personal commitment to Christ.

Sincerely,

Bud Caton, Chair
I&S Commission

Ted Otto, Chair
Trustee Commission
