

TIME & TALENT
GUIDING PRINCIPLES

We agree that our actions must be driven by what is in the best interest of CPC and the people that it serves (this includes the congregation).

Participants in the Time and Talent activities pledge to have open and honest communication with each other.

When an issue arises, we agree to discuss it with the other person(s) involved and resolve it.

This program is voluntary and being established for the long term. Thus, people must be allowed to participate at a level that makes them comfortable and no one should feel pressured to participate.
